

As part of our ongoing commitment to soliciting input from the public in the development of our forest management plans, Tolko Industries Ltd. (High Level Lumber Division - HLLD) and Footner Forest Products Ltd. (FFP) will be hosting an Open House in the community of Fox Lake on November 29th 2005.

The Open House will provide the opportunity for members of the public to view our 5-Year General Development Plan (GDP) for our Forest Management Area (FMA) as well as our proposed Final Harvest Plans (FHP's) for the 2005-2006 harvest season. The Companies' will also display some of the long-term forecasts and strategies that have been incorporated into our Detailed Forest Management Plan (DFMP) and Sustainable Forest Management (SFM) Plan to address wildlife, forest health, watershed management, and community interests.

The Open House will take place from 1:00 - 3:00 PM on Tuesday November 29th at Kayas Cultural College in Fox Lake.
